(Designation) COMMISSIONER OF LABOUR.

To The Secretary to the Government of Madras,

DEVELOPMENT Department.

Sir,

Ref: G.O.No.593 Ms. Dev. Deptt., dated 8-3-38 and Govt. Memo. No.8571-IV/39-2 dated 27-3-39.

A copy of letter dated 22-7-39 from the Honorary Secretary of the Depressed Classes Mission, Mangalore together with the following documents is sent herewith:

(1) The original application for the grants.

(2) The sanctioned estimates relating to items 2 to 5

It is reported that works in respect of items 2, 4 and 5 have been completed. The original estimate for item 2 - repairs and alterations to the existing buildings - was for Rs.320/-. But, the actual cost was Rs.386-1-11. The amount of Rs.66-1-11 spent in excess of the original estimate

was due to unforeseen expenditure caused by wind and rain, which blew away a portion of the roof which had to be replaced. The details of the work done are shown in the bill for Rs.386-1-11, a copy of which is enclosed. As regards item 3 - construction of carpentry and weaving sections - the Mission has completed the work for Rs.1248/-. The Engineer's Certificate about the satisfactory completion of the work is sent herewith. The bill for Rs.1248/- is also submitted for perusal and return. The Honorary Secretary of the Mission reports that additional work costing Rs.252-0-0 still remains to be done under this item. In the original estimate, there is no provision for full walls and windows. The walls are now only 5 ft. high leaving a gap of 2 ft. all round which is not desirable in a district with heavy rain fall like South Kanara. An estimate for Rs.250-0-0 for this additional work is sent herewith in duplicate.

2. The Collector of South Kanara recommends that in addition to the sum of Rs.906-0-0 paid already with reference to Govt. Memo. No.8571-IV/39-2 dated 27-3-39, a grant of Rs.1670/- may be sanctioned to the Mission in respect of items 2 to 6 as follows:-

Item 2 - Repairs and alterations to the existing building ..	Rs.386-1-11
Item 3 - Construction of carpentry and weaving sections. (Rs.1248 plus 252) ..	Rs.1500-0-0
Item 4 - Construction of kitchen and dining hall ..	Rs. 882-2-0
Total ..	Rs.2768-3-11
Half grant.. ..	Rs.1384-2-0
Item 5 - construction of a latrine - Full grant.	Rs. 228-0-0
Item 6 - Sinking a well - Full grant.	Rs.963-12-0
Total:	Rs.2575-14-0
Less amount already paid in April 1939 with reference to Govt. Memo. No.8571-IV/39-2 dated 27-3-39 ..	Rs.906-0-0
	Rs.1669-14-0 or 1670--0-0

The Collector considers that the excess expenditure on the construction of the carpentry and weaving sections was necessary.

3. I support the Collector's recommendation and request that the Government may be pleased to sanction the grant proposed as a Part II Scheme and to make the necessary provision for the purpose in the budget of 1940-41.

I have the honour to be,

Sir,

Your most obedient servant,

for Commissioner of Labour.

KRA.26/9.

Copy of letter No. nil. dated 22-7-39 from the Honorary Secretary, The Depressed Classes Mission, Mangalore, to the Commissioner of Labour, Madras, through the Collector of South Kanara, Mangalore.

Construction of Buildings - Sanction of grants - R.C.No.S.1.968-39 dated 24th April 1939.

As advised by you in your kind letter quoted above we are herewith renewing our application for the payment o grants for the buildings constructed at Sadhakasram for th Mission, as per following details.

	Rs.
2. Repairs to existing buildings and alterations	386-1-11
3. Carpentry and weaving shed.	1248-0-0 plus 252/-
4. Construction of kitchen and dining hall.	882-2-0
5. Construction of a latrine.	228-0-0
6. Well	963-12-0

We have completed items 2, 4, and 5. Regarding item No.3 we have completed work for Rs.1248. Work for Rs.252 yet remains to be done. In the original estimate there is no provision for full walls and windows. The walls are now only 5 ft. high leaving a gap of 2 ft. all round which makes the building unsafe from wind and rain. The additional estimate of Rs.252 will enable us to make the building more secure and useful.

We have already spent some amount for the well. As the boring set was taken away by the P.W.D. in the middle we were not able to complete the well we hope to complete it as soon as the monsoon will permit us. We humbly request you to sanction the necessary amount for the well also

We also request you to sanction payment of half grant for items 2, 3 and 4 and full grant for items 5 and 6. The bill for the construction of carpentry shed is sent herewith along with the Engineers certificate. The other bills were already submitted to you on 24th March 1939. We beg to inform you that an amount of Rs.906 was paid to us and it may be deducted from the total amount sanctioned to us.
